Natural Diversity Database

For information about these species or natural communities, or other species or natural communities, or for staff contacts, please see the NDDDB website at <http://www.dfg.ca.gov/whdab/cnddb.htm>

IMPORTANT NOTICE:

This list of species was produced from data presently included in the California Natural Diversity Database (CNDDDB). The CNDDDB is a positive sighting data base, and our data sets can not be considered to be complete for every species in every county. Therefore, this list must not be considered to be a comprehensive list of all special status species in the county.
